KATA PENGANTAR

BIJMT: Journal of Computer Science and Multimedia Publication (p-ISSN : 2808-9375 (print), e-ISSN : 2808-8999 (online); Volume 1 Number 1 Year 2022 (January 2022) is the first edition for publication in 2021. Articles published by the BIJMT Journal have been published in Fulltext and Open Access in PDF format online at: <http://ejournal.stie-trianandra.ac.id/index.php/BIJMT> Starting in 2022, only articles that are only comes from research results that can be published in the BIJMT journal after being reviewed by bestari partners.

BIJMT: Journal of Computer Science and Multimedia Publications publishes the only paper that strictly follows the BIJMT guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editor (according to the area of specialization) and will be screened by the Managing Editor to meet the criteria required for publication of BIJMT. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. BIJMT has reviewed the form to keep the same item reviewed by two reviewers. Then the editorial board makes a decision on the comments or suggestions of the reviewers.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept/policy articles, in all fields of Computer Science, Informatics Engineering, Multimedia, Arts. The article to be published is an original work and has never been published. Incoming articles will be reviewed by a team of reviewers from internal and external Trianandra College of Economics. BIJMT is published periodically every 4 months, namely in January, May and August.

The Editorial Board will try to continue to improve the quality of the journal so that it can become an important reference in the development of engineering sciences. The greatest appreciation and gratitude to Mitra Bestari along with members of the Editorial Board and all parties involved in the publication of this journal.

The Editorial Board also expects scientific articles from readers to be published in Volume 1 No. February 1, 2021 after going through a review process by the Editorial Board and/or Bestari Partners. Starting Volume 1 No. February 1, 2021, the BIJMT journal appears with a new style of environment and a new article format for the better. Complete writing guidelines for 2021 are featured on this journal's portal.
