FOKUS DAN RUANG LINGKUP JURNAL

Journal of Engineering, Electrical and Informatics: ; ISSN: 2810-0557 (print), ISSN: 2809-8706 (online) is a scientific journal that presents original articles about research knowledge and information or the latest research and development applications in the field of technology. The scope of the JEEI Journal covers the fields of Informatics, Mechanical Engineering, Electrical Engineering, Information Systems and Industrial Engineering. This journal is a means of publication and a place to share the results of research and development in the field of technology. Articles published in this journal are addressed to the editorial office. Complete information for loading articles and instructions for writing articles are available in each issue. Incoming articles will go through a selection process for bestari partners and/or editors. The Journal of Electrical Engineering and Informatics is published 3 times a year, namely in February, June and October

Articles published in the Journal of Engineering, Electrical and Informatics include the results of original scientific research (top priority), new scientific review articles (not priority), or comments or criticism of existing writings. The Journal of Engineering, Electrical and Informatics accepts manuscripts or articles in the field of engineering from various academics and researchers both nationally and internationally.

Articles published in the Journal of Engineering, Electrical and Informatics are articles that have gone through a review process by Mitra Bebestari (peer-reviewers). The Journal of Engineering, Electrical and Informatics only accepts articles originating from original research results (top priority), and scientific review articles that are new (not priority). The decision to accept or not a scientific article in this journal is the right of the Editorial Board based on recommendations from Mitra Bebestari.

JOURNAL INDEXATION INFORMATION

JEEI: Journal of Engineering, Electrical and Informatics (p-ISSN : 2808-9375 (print), e-ISSN : 2808-8999 (online); <http://ejurnal.stie-trianandra.ac.id/index.php/JEEI/> is a peer-reviewed journal that has been indexed in several reputable indexers, including: Google Scholar; Garuda Reference Digital (GARUDA), Directory of Open Access Journal (DOAJ).

FOREWORD

Journal of Engineering, Electrical and Informatics: ; ISSN: 2810-0557 (print), ISSN: 2809-8706 (online) is a scientific journal that presents original articles about research knowledge and information or the latest research and development applications in the field of technology. The scope of the JEEI Journal covers the fields of Informatics, Mechanical Engineering, Electrical Engineering, Information Systems and Industrial Engineering. Complete information for loading articles and instructions for writing articles are available in each issue. Incoming articles will go through a selection process for bestari partners and/or editors. The Journal of Electrical Engineering and Informatics is published 3 times a year, namely in February, June and October

Journal of Engineering, Electrical, and Informatics publishes the only paper that strictly follows the guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. Papers are read by members of the editor (according to the field of specialization) and will be filtered by the Managing Editor to meet the required criteria for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their field of specialization. The Journal of Engineering, Electrical, and Informatics has a review form to keep the same item reviewed by two reviewers. Then the editorial board makes decisions based on comments or suggestions from reviewers.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes Engineering, Electrical and Informatics articles. Incoming articles will be reviewed by a team of reviewers from internal and external Trianandra College of Economics. The Journal of Electrical Engineering and Informatics is published 3 times a year, namely in February, June and October

The Editorial Board will strive to continuously improve the quality of the journal so that it can become an important reference in the development of engineering knowledge. Appreciation and deepest gratitude to Bestari Partners and members of the Editorial Board and all parties involved in the publication of this journal.

Regards,

chief editor
